

Black Hills Ski Team

Sponsorship Packet

About Us

The Black Hills Ski Team (BHST) was founded in 2010 to offer local youth a way to learn the fundamentals of alpine ski racing and participate in competitive ski events. We are a 501(c)3 non-profit, volunteer-based organization. Participants in our program range from near beginners to experienced youth racers.

Our Mission

Our mission is to provide Black Hills area youth with the opportunity to develop all-mountain skiing and racing skills in a safe, fun, and positive environment.

Why Support BHST?

BHST represents an excellent asset for the Black Hills community and is building a strong reputation regionally. Each of the past two years, we have hosted a nationally sanctioned youth ski race, bringing in racers from across the USSA Northern Division - from as far away as Whitefish, MT. The Northern Division has 12 teams and over 500 athletes. Seven of our team members have also qualified for competitions outside the Division.

Consider a tax-deductible contribution to BHST!!

Registration fees cover only a portion of our program expenses. BHST raises outside funding to keep costs affordable for families. We ask your support for general operating expenses, which include such things as safety equipment, training gates, coaches' education, insurance, and Terry Peak usage fees.
